

Call for proposals

Re-BUILD Boosting Livelihoods

Closure: August 26th 2024 - 4 pm

Context

As part of the Re-Build Program commitment to generate and share evidence for innovative, sustainable livelihoods solution, (**generate and share evidence for innovative sustainable livelihood solutions**) Pamoja Trust in collaboration with International Rescue Committee (IRC) is launching a regional (Nairobi) call for proposals to support Refugee Led Organization (RLOs) actions aimed at establishing a bold influencing agenda on policies, practices, and investments at national, regional, and global levels by encouraging adoption of program evidence and learning. The actions shall also seek to enhance refugee inclusion in the decision-making processes for improved access to basic services and livelihoods.

Eligibles Actions

Eligible actions must pertain to :

1. institutional leadership & governance
2. refugee rights advocacy
3. livelihood boosting.

The project must have a maximum duration of 3 months and may not go beyond November 30, 2024. With a budget range between Kshs. 100,000 – 500,000

Eligible Actors

- A locally **duly registered group described as a** Refugee Led Organization (Community Based Organization) with a **valid** registration certificate.
- Must be based in Nairobi and its metropolitans
- The applying organization must have at least 3years of relevant experience of working with urban refugees including refugee rights.
- The applicant must have a physical office in Nairobi with relevant systems and structures for organizational operations.
- Must have a financial report for at least past 2 years, a bank account with at least 1 board member as a signatory and a strategic plan.
- The applicant must show proof of receiving and managing similar grants in the past 3 years.

All interested organizations shall submit their respective applications to

Landrite@pamojatrust.org by close of business (4 pm) 26/08/2024.

Successful applicants shall be notified within 7days after submission of the call. Ensure to attach a budget on a different Excel sheet using the provided template

NB- The project must be scheduled to begin on September 1st
